

# Hopkinsville Kentuckian.

VOL. XXXII.

HOPKINSVILLE, KENTUCKY, THURSDAY, SEPTEMBER 8, 1910.

No. 103.

## HORSE SHOW IN FULL BLAST

Pembroke's Annual Gala  
Week Is Drawing  
Great Crowds.

### SHOWS BREAK RECORDS

Special Trains to Handle  
The Visitors From  
Hopkinsville.

The Pembroke Horse Show made an auspicious start Tuesday night and will continue every night until Friday night.

The attendance at the opening performance was very gratifying, the weather being all that could be desired. The little city of Pembroke was agog with the excitement that comes once a year and the officials of the show were most active in contributing to its success. The officers are:

President.....Eugene Kelly  
Vice President.....T. D. Jameson  
Secretary.....W. H. Jones  
Treasurer.....Douglas Graham

The directorate is composed of C. E. Mann, R. Y. Pendleton, Dr. J. L. Barker, W. H. Jones, Eugene Kelly, W. A. Radford, J. D. Jameson and Dr. G. P. Isbell.

The 5:32 train carried a big crowd from this city, the train stopping right at the gate to the park. The crowd last night was even larger. She accommodation runs out as a special and brings the crowd in at 11 o'clock each evening. The ring shows are most attractive events, including harness classes, trotters, roadsters and saddle stakes. The premiums are very liberal and the exhibits are ample to make competition lively. The Horse Show is a great social event, as larger crowds make it the occasion for visiting Salubria Springs nearby and there will be dancing and gaiety at the Springs after every evening's performance at the park.

Lebkuecher's Band, of this city, is furnishing the music.

In the light harness ring, best pair, Waller & Trice, of this city, were awarded second prize, \$15, on their pair of white Arabian horses. Mr. Walter G. Trice, brother of one of the firm, drove the span. These

horses are beauties and were recently purchased from a prominent stockman of Waverly, O. This team is used by Messrs. Waller & Trice in drawing their white funeral car.

### JUDGE FELAND

Lost Keys and Jurors Could  
Not be Drawn.

A dispatch from Hickman says: "On the third Monday of this month Fulton County Circuit Court will convene here. For the first time in many years the court will have no petit or grand jury to open the judicial ball, and the 'householder' will have no fear of Sheriffs catching him unawares between now and that date and serving a summons for jury service. Under ordinary circumstances the jury list is placed in the hands of the sheriff twenty days before court convenes, but when the court opens this month the usual congregation of prospective jurors, pleading for dismissal, will not be on hand. This state of affairs is due to the fact that during the May term of court the five keys to the jury wheel were lost by Special Judge Feland, at the branch court at Fulton, this county, and a list of jurors could not be drawn for the next term, according to law. It would be a small task to break into the wheel, but no local officer has the authority to do so. The only thing that can be done now is to wait until court convenes and open the box or wheel in open court, and this authority is vested only in the presiding judge. Sheriff Johnson and deputies will then get busy."

### FARMER SUES

Railroad Company for \$1,500  
Damages.

Marquess H. Boyd, of near Kelly, has filed suit against the L. & N. railroad for \$1,500 damages. He alleges that the defendant, in making a change in their roadbed through his farm, raised the bed about ten feet above the original bed, without proper and necessary approaches, making conditions such that it is impossible for a vehicle to cross. He further states that on account of the obstruction he was unable to harvest 500 bushels of oats and 1,500 pounds of tobacco, because his barns and thresher were on the west side of the road and he could not use the crossing.

See J. H. Dagg for contracting, building and general repair work of all kinds. Phone 476.

## SCHOOLS ARE ALL NOW OPEN

Bethel Female College Starts  
Fall Session With Good  
School.

### McLEAN OPENED TUES.

Hopkinsville Schools Are All  
Full to Overflowing  
This Year.

Bethel Female College, the last of the city schools to open, began the fall session yesterday, with a most gratifying increase in the number of both boarding and day pupils. The boarding department promises to be crowded, nearly all of the rooms being already filled. There were some formal exercises at nine o'clock, Dr. C. M. Thompson, president of the Board of Trustees, and Rev. E. W. Barnett, both making short talks.

Prof. H. G. Brownell, president of the college, is enthusiastic over the fine outlook for the school. The full capacity of the dormitories is 40 pupils and he expects to have all room taken in a week or two, as some who have engaged rooms have not yet matriculated.

The faculty has been strengthened and the lawn beautified by replacing the old fence with a concrete wall. The college starts out its 57th session with most favorable prospects. The attendance of pupils from the city is largely increased, including some graduates from the city High Schools.

### McLEAN COLLEGE

Starts Fall Session With  
Bright Prospects.

McLean College opened for the coming season yesterday morning with one of the largest openings that it ever had. In the Dormitory practically every room was engaged.

Besides an unusually large number of boarding pupils quite a large number of day pupils entered. More are expected to arrive today. Extensive preparations have been made to accommodate the pupils, and one of the best years of the institution is expected.

The interior appearance of the college has been greatly improved. Notably among these repairs are the new hardwood floors in the halls and the enlargement of the library.

The college expects to turn out another high class football team. Mr. W. C. Kuykendall, the faculty manager, was in Nashville yesterday in search of a competent coach.

### THE ATHENAEUM

Will Resume Its Monthly  
Meetings To-night.

The first meeting of the Athenaeum since the summer vacation will be held at Hotel Latham tonight. Supper will be taken at 7 o'clock in the main dining room after which the literary program will be held in the ordinary.

The following gentlemen are on the program and will have papers as indicated:

"Investments in Land and the High Prices of Living."  
Mr. T. J. McReynolds.  
"Woman Suffrage."  
Mrs. S. Y. Trimble.  
"The British Budget"  
Prof. H. Clay Smith.

### PROWSE MONOPLANE.

Model Shown In Window of  
Main Street Drug Store.

In the window of Cook & Higgin's drug store near Court square, is to be seen a miniature model of Judge Chas. O. Prowse's monoplane flying machine. It has a motor in operation and all of its parts are shown correctly, the machine being suspended by a thread from the top of the window. It attracts a great deal of attention.

Judge Prowse's friends are confident that his invention will yet "make good" and put him in a class with the world's successful aviators.

### PENDLETON A LUNATIC

And Will Escape Prosecution  
For Horse Stealing.

J. W. Pendleton, who was recently jailed on a charge of stealing a horse from A. J. Knight, of Kelly, has been adjudged insane and sent to the asylum. When arrested in Nashville he confessed and was in jail in default of \$300 bail. Physicians who examined him testified that he was mentally unsound.

## SEED WHEAT
